

# Phoenix Index Select<sup>SM1</sup>

*A single-premium indexed annuity with five indexed accounts, a fixed account, guaranteed principal protection and an optional guaranteed minimum withdrawal benefit*

## Features<sup>1</sup>

### INDEXED ACCOUNTS<sup>2</sup>

- Five point-to-point indexed accounts that are eligible for an index credit based, in part, on the performance of the index over the course of a segment duration
- - One-year S&P 500
- - One-year DJIA
- - One-year DJ Euro Stoxx 50
- - One-year Balanced Allocation
- - Five-year S&P 500
- Each account is subject to a cap, participation rate and an index spread, which are set at the beginning of each indexed account segment. They are guaranteed to remain fixed for the index segment duration
- All accounts require a minimum allocation of \$2,000

### FIXED ACCOUNT

- Interest credited daily
- Rate guaranteed for one year

### PREMIUM BAND ENHANCEMENT

- The greater the single premium, the more favorable the indexed account rates
- High band provides more index credit potential
- Low band: \$15,000 - \$49,999, high band: \$50,000+

### PRINCIPAL PROTECTION

- Index credit is never less than 0%
- No loss of initial investment due to market downturns

### DEATH BENEFIT

- Paid upon the death of any owner
- The death benefit is equal to the greater of the contract value or the total guaranteed value
- Index credit for year in which death occurs is not included in death benefit calculation

### GUARANTEED MINIMUM WITHDRAWAL BENEFIT

- Initial benefit base is equal to single premium
- **Income 25:** provides an upfront bonus equal to 25% of the initial benefit base.

- **Income Plus:** provides a guaranteed minimum 8% compound increase to the benefit base for the first 10 years
- **Income Max:** provides the highest annual benefit amount percentages, which in turn are applied to the benefit base to determine the guaranteed lifetime income amount
- These riders are optional and involve an annual fee of 0.50% of the benefit base. The benefit base is used solely to calculate the benefits payable under the terms of the riders and is not a guarantee of contract value or amount available for withdrawal

### ANNUITY PAYMENT OPTIONS

- Seven fixed annuity payment options provide choice of periodic fixed payment for a specified period of time or for the life of the annuitant(s), or a combination of both
- Surrender value will apply if the annuitization occurs before the fifth contract anniversary or the annuitization period is less than 10 years. Otherwise the value will be the greater of the contract value or the total guaranteed value

## Basics<sup>2</sup>

### ISSUE AGES

- 0 – 85

### PAYMENT PREMIUM

- Single premium
- Minimum: \$15,000 (qualified and non-qualified)
- Maximum: \$1,000,000 unless approved by Phoenix

### WITHDRAWALS

- Penalty-free withdrawals up to 10% of contract value each year
- Any withdrawals may be subject to federal and state income tax
- If taken prior to age 59½, withdrawals may also be subject to a 10% federal penalty
- Withdrawals taken in excess of free withdrawal amount during the surrender charge period will be subject to surrender charges and a market value adjustment

IRS Circular 230 Disclosure: Any tax advice contained in this communication (including any attachments) is not intended to be used, and cannot be used, to avoid penalties imposed under the U. S. Internal Revenue Code, and was written to support the promotion or marketing of the transactions or matters addressed here. Individuals should seek independent tax advice based on their own circumstances.

1. *Product features, riders, options and availability may vary by state. Consult with your financial advisor to determine state variations and restrictions and other conditions that may apply.*

2. *Indexed account credit calculations exclude any dividends that may be paid. While the value of each indexed account is affected by the value of an outside index, the contract does not directly participate in any stock, bond or equity investment. These indexed accounts are currently offered, however we may change, add or eliminate indexed accounts.*

- Any withdrawals taken during the segment duration will not be included when calculating the index credit for that segment

**SURRENDER CHARGES**

- Applies upon full surrender or withdrawals in excess of the free withdrawal amount
- Calculated as a percentage of the contract value surrendered or withdrawn, up to the single premium amount
- Surrender charges will apply to withdrawals in excess of the free withdrawal amount in a year of full surrender
- Surrender charges will never reduce the surrender value below the total guaranteed value
- Surrender charges are waived if contract owner becomes ill and is confined to a nursing home on or after the first contract anniversary, for at least 90 consecutive days
- Surrender charges are waived if contract owner is diagnosed with a terminal illness on or after the first contract anniversary. A terminal illness is a condition that is expected to result in the owner’s death within six months

- Applies during the surrender charge period
- Adjustment may be positive or negative depending on the change in the interest rates since contract issue
- Adjustment can be positive or negative, but will never reduce the surrender value below the total guaranteed value or the single premium. In addition, the adjustment cannot increase the surrender value by more than the maximum amount that the adjustment can decrease the surrender value
- Applies when surrender charges are waived under the nursing home and terminal illness waiver

**TOTAL GUARANTEED VALUE (TGV)**

- Minimum value contract will provide as the surrender value, death benefit and amount available for annuitization. TGV value is not affected by market value adjustment, surrender and bonus recapture charges
- Equal to 87.5% of the single premium, accumulated at the applicable TGV interest rates, less withdrawals
- TGV interest rates range from 1%-3%, vary by fixed and indexed accounts and are set on the contract issue date and guaranteed for the life of contract

**MARKET VALUE ADJUSTMENT**

Surrender charges are assessed according to following scale:

Contract Year	1	2	3	4	5	6	7	8	9	10	11+
Surrender Charge %	10%	9%	8%	7%	6%	5%	4%	3%	2%	1%	0%

**This product is subject to state approval.**

**Annuities are long-term investment vehicles particularly suitable for retirement assets. Annuities held within qualified plans do not provide any additional tax benefit. Early withdrawals may be subject to surrender charges. Withdrawals are subject to ordinary income tax, and if taken prior to age 59½, a 10% IRS penalty may also apply.**

The insurance products are:

- Not insured by FDIC, NCUSIF, or any other state or federal agency that insures deposits;
- Not a deposit or obligation of, underwritten or guaranteed by, the depository institution or any affiliate;
- Subject to surrender charges that could result in loss of principal invested.

This annuity offers a Fixed Account and a variety of Indexed Accounts. The Fixed Account may earn a specified rate of interest of 0% or greater. The Indexed Accounts may or may not earn Index Credits. Index Credits are credited if the type of Index that the Index Account tracks performs in a manner described in the Indexed Account riders attached to your contract. Although, Index Credits are awarded based on index performance, this annuity is not a security. You are not buying shares of any stock or investing in an index. You are purchasing an annuity, which is a type of insurance policy issued by an insurance company. You can use an annuity to save money for retirement and to receive retirement income for life. It is not meant to be used to meet short-term financial goals.
